Madman

Author's Notes:
Drabbling back and forth with Lia a couple days ago produced this one :)

Sometimes he's a madman.

Crazy and out of control. Chaos in action for the world to witness.

Other times? He's delicate and calm. Like a flower drifting in a gentle breeze.

Yet when he's a madman, no one can look away. He's all you see in that sea of black hair.

Frantic and thrusting, not caring of those around when the last of his humanity has been shed.

And then the song changes and he's back to calm again. Playing the most beautiful melodies that bring tears to your eyes.

He's a madman.

And yet, he's just Perttu to me.
